

Bavarian Crème... It can star, or play a supporting role, in your dessert portfolio! Éclairs, Boston Crème Pie and Cream Puffs are traditional showcases for this delectable filling, but don't stop there. This "workhorse" of fillings gets an A+ in versatility: cupcakes, churros, charlottes, crepes, donuts, trifles and fruit parfaits are all great stages for this diva of fillings!

✓ According to **Flavor & the Menu** texture is one of the top 10 trends for 2018. Parfaits are natural here... layers of flavor and texture build upon one another for pure perfection.
