Fall Feasts

Fall brings the changing of leaves and the shifting of flavors to warm, comforting spices. Lawrence Foods strives to bring the tastes of the season to holiday feasts and gatherings as we enter the holidays. Our fall favorites like Pumpkin Crème Filling, Cinnamon Honey Spread, Pumpkin Decocrèmes®, and Apple Orchard Fresh® Filling bring the flavors of the season to all desserts and displays.

- According to NielsenIQ data, sales of pumpkin spice products increased 47% in the five years spanning 2017 to 2022, reaching \$236 million in 2022.
- Seasonal favorite, salted maple, continues to gain attention this year as a contender for flavor of the season.

Lawrence Foods' generations of tradition and commitment to excellence is seen easily in the quality of our apple fillings. Great for making pies, filling cakes, or baking turnovers. Our fresh cooked apple fillings are crisp and tart, like a just picked fruit. Pair with our Spray-On-Shine® to create glossy, perfect apple pies.
