Cold Weather Treats

As the weather cools, warm up with seasonal cobblers and crisps. Lawrence Foods' premium Orchard Fresh Cobbler® and fruit fillings provide the best base for these toasty, comforting classics. With high fruit content and excellent bake-stability, our fruit fillings can be held warm or reheated without losing flavor or texture. Top with Deluxe Crumble Topping and let Lawrence Foods bring simplicity to the season.

- 57% of consumers are interested in nostalgic desserts such as comfort classics of childhood, like crisps and cobblers.
- Cherry is the most popular cobbler flavor in the U.S. with peach as a close second.

Lawrence Foods' new Deluxe Crumble Topping is an oat streusel that adds texture and flavor to any dessert. It can be used on baked goods and pastries, prior to baking, or in ready-to-eat desserts, such as parfaits and cheesecakes. This product joins Special Sweet Cinnamon Streusel and Golden Streusel in our lineup of crispy toppings that elevate texture in bakery and restaurant sweets.
