With the school year right around the corner, lunch boxes will be packed before we know it. Peanut Butter and Jelly flavored treats are a favorite around this time as parents are looking for unique and fun items for daytime snacks. Lawrence Foods provides many delicious fruit fillings, preserves, and jellies, as well as creamy, peanut butter buttercream to create new and classic ideas.

- 40% of children bring school lunches from home. The average American child will eat 1500 PB&J sandwiches before graduating high school.
- Peanut Butter and Jelly sandwiches are ranked #9 in the top 15 sandwiches in the US with strawberry jam or preserves leading as the #1 fruit choice.

Lawrence Foods' Grape Jelly is a perfectly sweet jelly that spreads easily on bread and can also fill a cupcake or cake. Packed in a 1 gal resealable container or a #10 can, it is perfect for any bakery, foodservice or institutional operation looking for that perfect PB&J.
