Fruit-Filled Pies

Sliced and served or eaten on the run, pies are the best combination of flaky crust and fruity or creamy filling. Lawrence Foods fruit fillings and cream style fillings make creating delicious, flavorful pies easy and profitable. The superior bake stability of our products ensures perfect looking pies without worry of loose or leaky fillings.

- Datassential's food and beverage insights found 78% of consumers said they love or like pie.
- According to an American Pie Council survey: Pie isn't just for dessert. 35% of Americans say they have had pie for breakfast, 66% had pies for lunch and 59% as a midnight snack.

On the Cover: Lawrence Foods' fruit and cream fillings offer quality and variety to any pie program. From Coconut Crème, Key Lime, or Chocolate Crème fillings to Strawberry Rhubarb, Deluxe Blueberry, or Orchard Fresh® Cherry Fruit Fillings, our fillings provide excellent flavor and premium fruits. Finish these classics with Whip N Frost® whipped topping, Instant Meringue Powder, or Deluxe Crumble Topping. For a mirror shine, pies can be brushed with Spray On Shine prior to baking or with Honi Glaze® when they come out of the oven.
