orchard fresh fillings®

CLASSIC PROFILES

- Season to season, we begin with only the highest quality fruit.
- Fresh apples are used for the brightest and freshest flavor. No brining fluids to add weight to the pail.
- A carefully designed slurry is added to accentuate and protect the natural fruit flavor and deliver shelf stability.
- Our process allows us to cook the filling inside each container. This process protects the fruit pieces from damage and retains their fresh fruit characteristics.
- Pails have a tamper-evident seal with a resealable, airtight lid.

PERFORMANCE ATTRIBUTES

- Not just for pies! The delicious Orchard Fresh Fruit Fillings® are the epitome of versatility.
- They perform beautifully inside baked confections.
- Use them over pancakes and waffles, as sides for savory dishes and as toppings for ice cream and cheesecakes.
